

The 2020 Census will be mailed March 14th and can be submitted through July 2020. Every household that fills it out brings money and assistance to their community! If you don't have a computer, you can use the one at the Library or wait for a census taker to visit your home. But **PLEASE** be safe and aware of possible fraud. Visit these web pages for help.

This page has info and a video on how to identify a census employee
<https://www.census.gov/about/regions/denver/contact/identify.html>

This page tells you how to identify valid census phone calls:
https://www.census.gov/about/npc.Call_from_an_Interviewer.html

This page shows you what the census should look like:
<https://2020census.gov/en/about-questions.html>

This page discusses common phishing and other survey scams. It includes phone numbers to call to check if the non-census surveys you receive are valid.
<https://www.census.gov/programs-surveys/surveyhelp/fraudulent-activity-and-scams.html>

This website has the phone numbers to call if you suspect fraud on the 2020 census:
