

## TOWN OF NORTH COLLINS

Town Hall ~ 10569 Main Street ~ North Collins, NY 14111

April 6, 2020

Dear Member of the Lawtons Water District:

I am writing in order to update you in regard to the status of the Lawtons Water District. The District has been formed and I am pleased to say that the construction project has been put out to bid and the town will be opening the bids on April 17, 2020. The engineer will take several days to review the bids and will make a recommendation so that the town board can award the contract at a special meeting to be held on April 22, 2020 at 7:00 p.m. I anticipate that construction will commence over the summer, although under the current coronavirus pandemic, things could change so we have to remain flexible. Part of this project will require the installation of new water meters in all residences/businesses within the district. There will be some minor road and traffic disturbance. There will also be some water shutoffs as construction proceeds.

The town would like the ability to communicate more effectively by email with the affected property owners. This way we can notify you of construction progress, water shut offs, meter installations, etc. If you would like to be notified by email, please call the town clerk Lynn DiVincenzo at 337-3391 (or email her at [townclerk@northcollinsny.org](mailto:townclerk@northcollinsny.org)) and provide her with your name, email and phone number (if you lack an email address).

Additionally, the Lawtons Water District Committee consists of Tom Wilder, Kathy Schwertfager and Judy Sabol. The town will be in touch with these committee members as we proceed. So if you have questions, feel free to contact anyone on the Committee. We are also looking for additional volunteers. If you would like to volunteer to join the committee, please let the town clerk know that you want to volunteer.

I thank you in advance for your cooperation and patience in this important project. We look forward to completing this project for your benefit.

Sincerely,

John M. Fobia

North Collins Town Supervisor
